Maximum length for Power/Fishing Boats 18', Pontoon Boats 20' per manufacturer's specification & IL State Registration.

Power Boats/Deck Boats & Pontoon Boats maximum 70 H.P. or 75 H.P. providing such motors meet or exceed the C.A.R.B. 2001 rating (one star rating) or Power Boats/Deck Boats greater than 75 H.P. or up to 90 H.P. providing such motors meet or exceed the C.A.R.B. 2008 rating (three star rating).

Fishing Boats having a motor of 50 H.P. or less.

**Applicable only to boats which are required to be registered under Illinois Water Safety Act. A copy of current State Registration card must be stapled to this form.

***Under Lake Summerset regulations, this is required only for boats having motors exceeding 10 horsepower. A copy of the certificate of liability insurance must be stapled to this form.

LS & LOT NO. MUST BE PLACED ON EACH SIDE OF BOAT ADJACENT TO THE STERN-LS DECAL ON PORT (LEFT) SIDE OF BOAT; STATE ID ON BOTH SIDES OF BOW.

All boat trailers must have lot numbers at least 2" high of contrasting color in a place highly visible.

MY SIGNATURE CONFIRMS THAT I HAVE READ THE BOATING REGULATIONS AS OUTLINED IN THE RED BOOK AND THE BOAT AND MOTOR I HEREBY SUBMIT FOR REGISTRATION ARE IN COMPLIANCE.
