A current certificate of liability insurance in the minimum amount of \$500,000, naming LSA as an additional insured will be required for each vehicle before registration will be granted.

The following is required before inspection by LSA Security:

1. All motor-driven cycles, ATV's go-carts and snowmobiles not licensed for the road with a valid State license plate must display a plate on the rear of the machine bearing the owner's lot number in six-inch (6") high letters. Snowmobiles must display these numbers on both sides of the machine or on a plate attached to rear of machine and have a current LSA decal displayed in windshield.
2. Every, go-cart, or motor-driven cycle with a wheel size of fourteen inches (14") and under, or any other unlicensed motorized vehicle, must display a red or orange visibility flag not less than six feet (6') above ground while being operated within LSA. Snowmobiles are exempt from this rule.

I hereby certify that the information set forth above is correct, and that I or a person who resides with me as a part of my family household owns the above identified vehicle. In applying herewith for registration of the said vehicle pursuant to the rules and regulations of the Lake Summerset Association (LSA), and thus applying for permission for its operation on

Summerset roads and allowed areas owned or controlled by LSA, I acknowledge that LSA undertakes no construction, maintenance or precautions to keep roads, shoulders or allowed trails in condition for safe operation of any vehicles other than automobiles and trucks. In consideration of the registration and permission which is granted by LSA pursuant to this application, therefore, I hereby waive and release LSA from any claim by me or liability to me arising from any injury or property damage which occurs as an incident to the operation of said vehicle within the Lake Summerset development.

I further herewith promise to indemnify LSA and to hold it harmless from any claims or assertions of claims for personal injury or property damage (including all associated costs, disbursements and attorney's fees) by any person (including members of my family, my guest, or others who may operate said vehicle) arising out of the operation of said vehicle within the development, irrespective of the source or course of events upon which any such claim or assertion is based.

I further understand and agree that I will be liable to LSA for violations of any LSA regulations (Red Book) with regard to the operation of said vehicle within the development by me, members of my family or anyone so operation with my direct or indirect permission and represent to LSA that any such operator shall be adequately trained and competent in the operation thereof.
